Re: This Letter/complaint to be placed into
the Records / Under Freedom of Information

I am currently incarcerated in WV.
I have been at this institution for
23 months, and I've not had a problem
with obtaining administrative remedy forms
from prior Counselors.

However, I've
been deprived of receiving those proper forms
from my (present) Counselor Mr. Kemper.
I had filed several BP-8's forms, last
year, and submitted them to the Counselor;

and asked for a copy for myself, but I was told to wait until I receive a response back, but I didn't hear anything back from Mr. Kemper / Counselor, pertaining to those forms.

Somehow those forms, mysteriously disappeared and it was no mention about it anymore. This incident happened on ~~two~~ different occasions and it has been bothering me because as an Counselor, He, Mr. Kemper / Counselor, is suppose to provide me with those proper materials as well as Administrative Remedy forms, so I could then halt my Remedies if no Resolution could be met, properly.

I, Adrian Weems-Bey, for the record, I don't have no personal beef with Mr. Kemper, In fact, I think that he's a fair Counselor, but He has been depriving me of certain forms lately.

And I find it very mind-blowing, and scary, because my issues, has nothing to do with Mr. Kemper, yet it feels as though he's taking sides and he's being prejudice towards my best interest.

So, I, feel, that it's only right that I, bring my concerns to higher Authority, because I'm not receiving justice from my counselor, and it's not fair.

I'm not trying to get Mr. Kemper or any other officer into trouble because I am not looking for no trouble, but I do want to be treated fairly and with respect, because I respect everybody and I do, stay in my own lane and does my time.

I hope that my letter won't be taken out of its proper context, but viewed with understanding and will be taken in consideration by the reader.

I am programing and I'm working on myself because I do beleive that my condition could be better,

But most importantly, I want to show growth and development since I've been at FCJ-Gilmer.

So, I am bringing this letter / complaint to the honorable court's for (consideration).

Sincerely,

Weems-Bey

Respectfully Submitted
